Midea Ultra-large Capacity Dehumidifier

Smarter, Stronger! Say goodbye to humidity at home in maximal comfort.

Feature

- Ultra large capacity - dehumidification capacity of 50L, applicable for rooms sizes of 101-116 m2
- WiFi control - remotely switch On/Off, timer control, humidity display and modes change.
- Voice control - works with Amazon Echo & Google Home
- Multi-modes - this device features three modes enabling you to personalize your comfort
- Minimise noise and maximise comfort by optimising the refrigeration and air duct systems.
- Automatically control room humidity in a comfortable range of 45%-55% according to room temperature, which inhibits bacteria growth.
- Pump Drainage - function for draining the water out directly.
- Auto-defrosting function - with an auto-defrosting function, the unit can prevent the evaporator from freezing and maintain dehumidifying effect in a low-temperature environment.
- Overflow protection - when the water tank is full, the water level switch will turn off the unit immediately. Make sure no water overflow from the tank.

Specification

- Moisture removal capacity: - 50L/Day (30°C, 80% RH) - 60L/day (27°C, 60% RH)
- Water Tank Volume: 6L
- Application Area: 101-116 m2
- Refrigerant type: R290
- Max. Input consumption: 850W
- Net/Gross Weight: 19.5kg/21kg
- Product Size (W x D x H): 392x282x616mm
- Package Size (L x W x H): 430x330x657mm
